Court # 4: is for public use. Delta Pickleball Association (DPA) may use court during club time if not used by the public.

The Delta Pickleball Association (DPA) Return to Sport COVID-19 Safety Plan needs to be embraced by our members. All pickleball players have the responsibility to follow the BC COVID-19 guidelines to keep yourself and others healthy. We recommend playing with a partner from your "Trusted Circle". **Do not participate if you have any of the COVID-19 symptoms.** Keep social distance whenever possible and use masks when grouped together waiting near the courts. The DPA has the responsibility to provide a safe playing environment.

Register to Play: all players must be a current member of the Delta Pickleball Association (DPA) to play during our dedicated court times. Members will use SignUpGenius (SUG) (link is on the DPA website) to register to play during DPA court schedule times. This ensures social distancing is followed by limiting the number of players assembling and DPA uses SUG to record court/player history for use if contact tracing is needed. **If you do not agree with these requirements, please do not use this system.**

Unless there is space available within 24 hours of play time, a member cannot take more than one spot per a day and must limit spots to 4 per week. Any member may book up to 5 other members. This allows all members an even chance to book a court and play.

All Levels: all skill levels play during this time. It's an opportunity for your partnership to mix it up and play other teams.
