

DELTA PICKLEBALL SKILL LEVELS

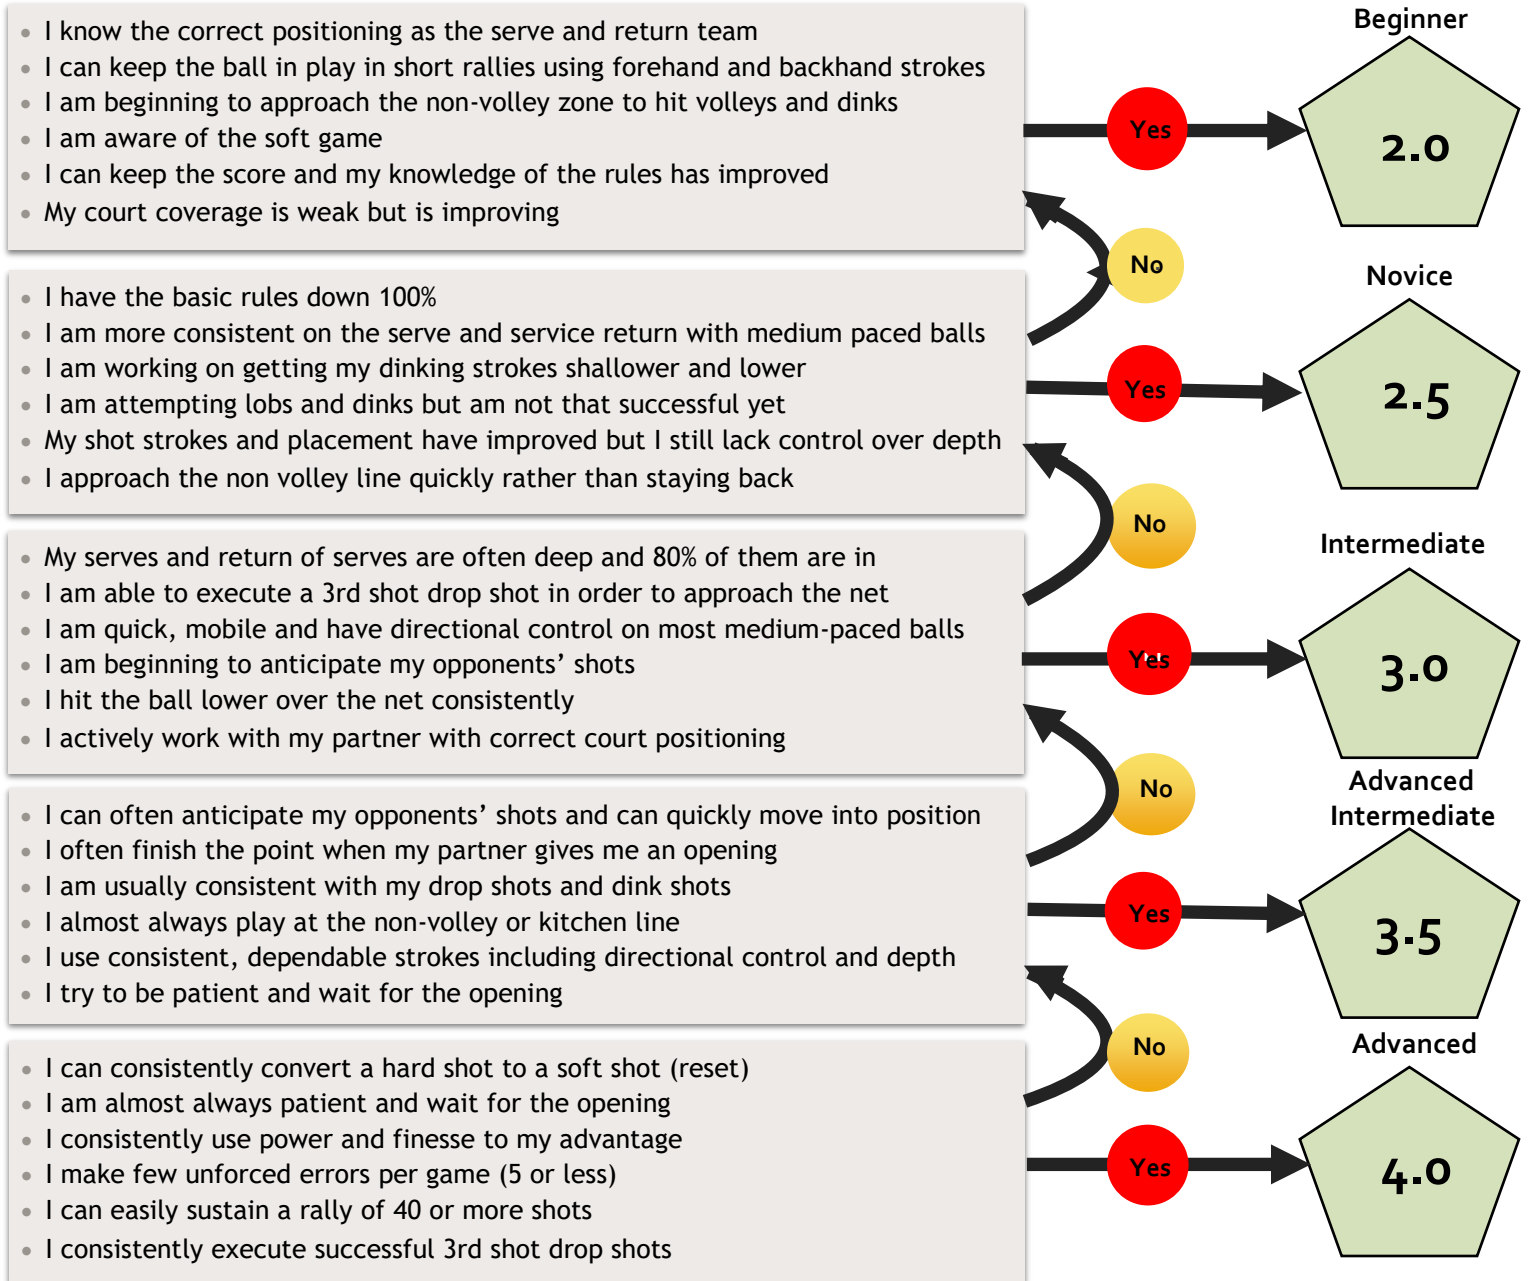

The simple "Yes or No" way to figure out your skill level. It may be helpful to self rate your play by working up from the bottom of this page. These ratings use Canada and USAPA standards.

= Yes to all statements

= No to one or more statements

The 4.5 player is distinguished from the 4.0 player by increased skills, a higher level of strategy, quickness of hands, judicious use of power, superior placement of shots and consistently fewer unforced errors. The 5.0 player is even more consistent in all skills than the 4.5 player with very few, if any, unforced errors.
